

Willamette Girlchoir  
PERMISSION AND RELEASE FORM

I/We the undersigned parent(s) and/or guardian of \_\_\_\_\_ do state and affirm that I am the legally-authorized guardian of the above-named child, and I/we also give permission for her to travel with the Willamette Girlchoir to all events schedules by the Girlchoir, including concert tours and various locations within the United States.

I/We also hereby give the adult staff and chaperones of the Girlchoir permission to authorize medical treatment for my/our daughter named above, as they deem necessary without additional permission from me/us. I/We agree to assume responsibility for all costs advanced by the Girlchoir in order to obtain medical care for my/our daughter.

In the event that the adult representatives of the Girlchoir decide that my/our daughter must leave an event for medical or other unforeseen reasons, I/we agree to be responsible for any costs related to her return trip home separate from the tour. I/We understand such a decision is solely at the discretion of the adult representative of the Girlchoir.

In return for the Girlchoir allowing my/our child to participate in concert tours and other events sponsored by the Girlchoir, I/we agree to release the Willamette Girlchoir, it's directors, agents and employees from all actions, causes of action, damages, claims or demands, which the undersigned or said child or any successors may have against the Girlchoir, or such other parties, for all personal injuries, property damage or other types of loss or damage of any kind, whether or not presently known or contemplated, which may be incurred during a tour, including transportation to and from. Each person signing below acknowledges having read this release and understanding all of its terms and their significance, and that this release is executed voluntarily.

This permission and release form will remain in effect until the above-named child no longer participates in the Girlchoir or I/we notify the Girlchoir in writing of the withdrawal of my/our permission and release.
