

# Charms Help

## Documents:

Access all documents from contracts to travel forms

Not many forms and permission slips are required in the course of the typical WGC season, however, should you find yourself in need of a participation contract, permission slip, or travel form, they will always be at your fingertips in your Charms account.

### To access documents:

1. Log in to your Charms account.
2. Click on “Handouts and Files” on the home page.

### Handouts & Files

Documents are in PDF format and can be downloaded and printed. If you need to turn in an electronic scanned version of anything, you can submit it by clicking on “My Files” on the handouts page and uploading it. The organization will be able to access it from there.
